La Suite Casablanca - Casablanca, Morocco

La Suite Casablanca is a trendy restaurant as well as a modern cigar lounge located in the Gauthier district in Casablanca, Morocco. All the decoration has been created to convey refinement and elegance, from the furnitures to the lighting solutions in order to create a trendy and stylish mood throughout the place. La Suite Casablanca has chosen Traxon Technologies' LED lighting solutions to emphasize the given place: Nano Liners XB RGB are used to highlight white painted brick wall, 1PXL Strips RGB are placed inside the bar below glass tiles and is seamlessly incorporated into light shelves, furthermore, 1PXL Boards RGB are mounted behind the bar to light up the wine bottles. All the LED lighting systems are controlled by Traxon branded Light-Drive RGB, a wall mounted lighting controller to allow easy colour changing and effects to be chosen according to the appointed time, mood and event. Last but not least, hearty welcome, sophisticated cuisine, trendy mood are the ingredients here to guarantee you to spend a good moment.
