

# SHOWCASE

Axis Radius - Scottsdale, USA

Axis and Radius are two major clubs in Scottsdale, Arizona, joined by a glass catwalk. Axis features a giant screen consisting of Tile 64PXL Wash panels as a backdrop to the DJ booth, illuminating the dance area of this venue with its pre-programmed graphical displays. Traxon Light Management creates a kaleidoscope of light around the main area of the club and dazzles one's senses with colorful graphics, video animations and running text. The upstairs lounge is illuminated by Traxon's Wall Washer XB-36 in varying colors.
